

Laser and Toner Cartridges

What We Accept and What We Pay

Important Program Note: We are able to accept only those cartridges that bear the original manufacturer's label and do not have a recycled label on them. We cannot accept cartridges that have been previously recycled since their quality varies widely and we are typically unable to use or sell previously recycled cartridges. Be sure the cartridges you send have only the manufacturer's labels as listed below. If you have a question about a particular style that is not listed, please contact us first before shipping it.
